MILAN
COLLECTION

The Milan Collection

serves to expand our line of traditional standing vanities. It features a solid, popular construction, chrome plated hardware, German engineered soft-closing drawer glides and hinges.

The option of quartz, marble, or granite countertop with a porcelain sink adds variety and customization to suit any bathroom style. The Milan has a hand-applied 6 lacquer coat and is designed to accommodate a single faucet fixture.

Cutting edge design and precision craftsmanship come together with this elegant modern vanity. Its high-end MDF construction allows for superior structural stability and the High Gloss finish enhances the look of your bathroom. Its countertop/sink is made from a durable tempered glass that is less likely to break like traditional ceramic or porcelain. It also cleans easier and requires minimal maintenance.

COUNTERTOPS COLLECTION

Marble stone is formed from limestone, superheated to form its unique crystalline structure.

Our marble countertop selection is unmatched with over 50 marble color options and patterns to choose from. Marble countertop surfaces are timeless with their classic beauty and elegance. If you are looking for a surface to sustain through the ages, this natural stone countertop material is perfect for you. Its naturally cool temperature is pleasing for cooking as well as keeping any workspaces temperature controlled.
