BATHROOM

ABOUT US

This mirror is the ideal choice for a entry, vanity, living room and bathroom. The Aliminium metal frame adds elegance and class. The polished mirror is presenting a beautiful reflection without any distortion of visual, and solid Mdf backing prevents corrosion in humid environments, make it perfect for bathroom.

Mirrona is a leading global lighted mirror company. The company designs and manufactures premium quality lighted mirrors for hotels, salons, and restaurants, as well as residential projects.

Through ongoing research and development, Mirrona are thinner, brighter, more energy-efficient, and easier to install.

The team at Mirrona is driven to deliver the highest quality mirrors, equipped with the latest features and technologies to our customers in the US and around the world.

FRAMED MIRROR

"We wanted to create a mirror that was more than merely a reflective surface. Framed is a new perspective to the classic framed mirror; it is a decorative design piece that leads your thoughts to installation art. It adds not only the functionality of a mirror to your home, but with its depth, organic shape and tone-in-tone color, it is almost perceived as an art object on the wall. The Framed Mirror can hang beautifully on your walls alone or combined with other sizes and colours."

PRODUCTION PROCESS

An aluminium profile is worked through four rounds to shape the mirror's frame. The surface is powder coated. Then, mirror glass is gently installed to create the little gap between the mirror's

DESCRIPTION

A series of mirrors in two sizes and three color versions. Mirrors with colored glass that challenges the function of a classic mirror and adds the dimension of decoration to an interior setting. Hang the mirrors in groups of two or more to create an almost art-like mirror installation on a wall. The mirrors suited for use in bathrooms and other wet rooms. Mirrors can be mounted both vertically and horizontally.
