Terms & Standards

All list prices and specifications are subject to change. All prices are F.O.B. Haleyville, Alabama. Prices do not include any applicable sales taxes. Contact your sales representative to establish your multiplier.

Terms of Payment offered are: 2% ten, net 30 days, or Prepay Before Build. Visa and MasterCard are accepted; however, the 2% discount will not be applied when paying with credit card. All accounts must be in good standing to place orders and receive merchandise. Invoices in excess of 15 calendar days beyond the 30 day terms will result in automatic termination of open account status.

Design & Pricing Software

Kith Kitchens can provide a product catalog compatible with 20-20 Design Software, version 9.1 and up. For catalogs and help regarding 20-20 contact Carol Testa, clbda.carol@gmail.com or 484-302-1536. Kith Kitchen supports Pro-Kitchen Design Software. To order Pro-Kitchen Design Software, please contact 617-868-5151. **A third party firm generates design software catalogs; therefore Kith Kitchens does not accept liability for discrepancies between design software and actual invoice.**

Ordering

All orders must be submitted with a Kith Kitchens/Eudora Order Cover Sheet.

Lead time is established by the date the order is signed off on, not the date the order is submitted.

All acknowledged orders must be signed off by 12:00 noon CST on your cutoff day, determined by region, to meet the current lead time. During peak seasons production can fill up, therefore placing and approving your order prior to your cutoff day 12:00 p.m. CST will help ensure your lead-time. Delivery dates will only be established after you have signed off on the order. **Kith Kitchens reserves the right to adjust lead-times during peak seasons and other factors out of our control.**

The Dealer and Kith Kitchens/Eudora responsibilities are as follows:

- (1) The dealer's account must be in good credit standing.
- (2) The dealer will submit the order via email to: orders@kithkitchens.com, using only Kith Kitchens/Eudora Nomenclature.
- (3) Kith Kitchens customer service department will enter the order and forward an acknowledgment.
 - Customers should expect to receive an acknowledgment within 24 hours on orders that have no custom cabinets or custom wood hoods.
 - Customers placing orders with custom cabinets and custom wood hoods should expect to receive an acknowledgment within 48 hours.

If you have not received your order acknowledgment within 2 business days, please call Customer Service.

- (4) The dealer must sign off on the Acknowledgment by no later than 12:00 noon CST on the cutoff day, determined by region, to meet your respective lead-time. Therefore, your original order must be submitted with sufficient time to complete the above listed procedures. Kith Kitchens will not start production of the order until there is firm approval (sign-off) of the Acknowledgment.

Continued on next page

The Acknowledgment is our interpretation of your submitted order. Any discrepancy between your original submitted order and the Acknowledgment is the responsibility of the Dealer. Kith Kitchens will not produce an order until the signed Acknowledgment has been returned to customer service by way of fax or email. Orders will be produced from the signed Acknowledgment.

Stanisci Design Custom Hood orders may require additional lead-time.

Custom Color orders (Kith Kitchens Face-Frame Only) will be scheduled for production after the dealer and end-user have approved the Custom Color Door Samples.

Custom Cabinets

*Kith Kitchens reserves the right to deny certain custom cabinets due to our manufacturing processes. Multiple custom cabinets per order can delay your lead time. **No more than half the sku's on a P.O. can be custom.** Due to individual designer needs, our guidelines cannot cover all modifications possible. Therefore, some custom sizes, alterations, and/or configurations will be subject to special pricing not covered by pricing listed in the custom modifications section of the spec book.*

Voided Orders

All submitted orders and Acknowledgments not signed off within 30 days will be voided. A new order must be submitted.

Shipping / Freight Rates

*Charges for freight are based on a per cabinet box charge. The per-box rate applies only to items shipping on a Kith Kitchens Fleet Truck or a Kith Kitchens Certified Contract Carrier. **Cabinets, Hoods and Columns are charged the per-box rate, not accessories or moldings.** The per-box cabinet rate is based off of the National Fuel Average. The box rate is subject to increases or decreases depending on the National Fuel Average. The truck driver will contact your dealership one hour prior to arrival.*

The minimum freight charge for orders shipping on a Kith Kitchens Fleet Truck or a Kith Kitchens certified Contract Carrier will be \$125.00.

In an effort to abstain from shipping orders common carrier (LTL), the option of holding orders for delivery on the cycle fleet truck is available.

Delivery

Product will be delivered on a Kith Kitchens Dedicated Fleet Truck or Kith Kitchens Certified Contract Carrier. The Dealer must provide a representative to sign for and receive all orders. Any items signed for become the responsibility of the dealer. Damages and shortages must be noted at the time of delivery. Delivery is to the tailgate only. The dealer must provide assistance in unloading the truck.

Final Mile Deliveries

Orders shipping to a residential address will be delivered to a Final Mile facility who will schedule a time to deliver to the residential address. Additional charges for Final Mile deliveries will be reflected on a separate line item of your Acknowledgment. You may contact shipping to get a quote prior to ordering. Shipping dates will be the date the order arrives at the Final Mile facility, not the date it arrives at the residential address. Once the order arrives at the Final Mile facility, they will schedule a date to deliver to the residential address. Orders will incur holding charges from the Final Mile facility if they are not scheduled to be delivered within a certain amount of time.

Delivery to Third Party Freight Forwarders

The Third Party Warehouse/Transportation Company will be signing and receiving your orders. Kith Kitchens will not be responsible for product damage or loss once the Third Party Warehouse/Transportation assumes possession of the merchandise.

Job Site Deliveries

Job site Deliveries must be pre-approved prior to placing your order, a quote will be given at that time.

Expedited Orders

Expedited Orders must be noted on the Kith Kitchens Order Cover Sheet

Expedited Orders can only consist of 8 total pieces or less; only 2 of those pieces can be cabinets. *Orders containing more items will be considered a regular order and fall under the normal lead-time. Anticipated shipping of an Expedited Order will be 10-13 business days after the dealer signs off on the order and the order will receive a 20% up-charge. The 10-13 business day shipping applies only if the order ships LTL or FedEx Ground. LTL and FedEx Ground shipments will incur shipping charges. Expedited orders that are added to the cycle truck will not meet the 10-13 business day shipping lead-time; these items will be added to the first available truck.*

Complete kitchens cannot be ordered under the Expedited Program.

Face panels, wainscot panels, utility cabinets, doors that exceed 60" in height, and special cabinets cannot be ordered under the Expedited Program; these items will be added to the first available truck. These items will not ship LTL.

Replacement/Warranty Orders

Replacement/Warranty Orders must be submitted with a Replacement/Warranty Order Cover Sheet to warranty@kithkitchens.com
Replacement / Warranty Orders will be reviewed as soon as the order is received. Valid Replacement / Warranty Orders will be shipped within 10 business days of the factory approving the order. Replacement / Warranty orders will ship Fed-EX Ground or LTL unless otherwise noted. Once the order ships, the dealer will receive an email notification. Often, Dealers request that Replacement/Warranty Orders be shipped on the Cycle Truck; if this option is selected, Kith Kitchens cannot guarantee the 10 business day shipping.

Color Match Replacement/Warranty Orders

Color Match Replacement/Warranty Orders must be submitted with a Replacement/Warranty Order Cover Sheet.

Color Match Replacement/Warranty Orders must get approval prior to sending in the order. Color Match Replacement/Warranty Orders are entered in the order that they are received. This is a special process that takes extra time to complete. Dealers must supply the item to be matched (please submit a door or drawer front). **Please include a copy of the order or a reference number with the sample so it can be correctly matched to your order.** Orders will not be keyed until the receipt of the color match sample. Once the sample is received, it will go in a queue to be keyed in the order it was received. Lead time is from the approval of the color match acknowledgment.

Custom Color Orders - Framed Only - Paint Only

Custom Color Orders must be submitted with a Custom Color Cover Sheet. Custom Color orders will receive standard lead time after approval of door sample. Allow 15-19 days for return of your custom color sample door. There is a \$1000 net fee for the formulation of the Custom Paint and Door Samples. Appropriate up-charges for paint, glaze, and rub-through where applicable. Custom Colors should be selected from Sherwin Williams paint colors. **Custom stains are not available. Custom paint colors only.**

Custom colors are available on framed cabinetry only: custom colors not available on Eudora frameless.

Customer Supplied Parts

Customer Supplied Parts must be submitted for approval prior to sending the parts to Kith for finishing. Email us a description and/or photo of the item to CSP@kithkitchens.com. Once the part has been approved, you will need to submit a "Customer Supplied Part Form" on page 17. All customer supplied parts need to be sent to: Attn: Customer Supplied Parts, Kith Kitchens, 280 North Industrial Loop, Haleyville, AL 35565. Finished parts will be returned via FedEx Ground or LTL. If the customer supplied part is received damaged by Kith Kitchens, it is the dealer's responsibility to handle any freight damage claims.

Returns

No returns will be accepted without a Kith Kitchens written approval and a Return Goods Authorization Number (RGA#).

Change Orders

Change orders are not permitted after the signed acknowledgment has been submitted. A new order must be placed.

Order Cancellations

Order cancellations are not permitted after an acknowledgment has been signed off.

Proper Care and Cleaning Tips for Your Cabinetry

Kitchen Cabinets, just like fine furniture, should be dusted or vacuumed periodically depending on the amount of particulate matter that may have accumulated. Always dust with a polish-moistened or damp cloth, as dry dusting may scratch the surface. It is also a good practice to follow the grain of wood when dusting - wiping across the grain could cause scratches to appear if the dust contains grit. Residues such as smoke, cooking vapors or body oils can be cleaned with a damp cloth with a small amount of furniture cleaner. Remember to use a clean soft cloth such as an old t-shirt, cheesecloth, dishtowel, flannel or chamois with no snaps or buttons that may scratch the surface.

Basic Care Tips

- Wipe up spills, splatters and water spots as they occur - keep the cabinets dry.
- Clean as needed with a soft, lint free cloth. Use a mild detergent or soap and warm water.
- Dry surfaces immediately with a soft cloth.
- Avoid using a dishcloth or sponge - it could contain remnants of grease or detergents.
- Do not use products with bleach, ammonia or abrasive additives.
- Never use scouring pads, steel wool or powdered cleaners.
- Do not allow oven cleaners to come in contact with wood finishes.
- Avoid placing small kitchen appliances where heat is directed onto cabinet surfaces.
- Avoid draping damp clothes or dishtowels over cabinet doors - excessive moisture can cause permanent damage.

With proper care and maintenance, your cabinets will be beautiful for years to come.

KITH KITCHENS LIFETIME LIMITED WARRANTY

Kith Kitchens provides the original homeowner purchaser a lifetime limited warranty against defects in workmanship and materials subject to the exclusions and limitations noted below. This warranty applies only to the original homeowner purchaser who resides in the residential structure where the cabinetry was originally installed. The Kith Kitchens warranty is non-transferable.

The Kith Kitchens lifetime limited warranty does not cover defects or damage that are not directly the result of Kith Kitchens design or construction. The warranty does not cover damage caused by others or damage beyond the control of Kith Kitchens including misuse, abuse, accident, neglect, alteration, mishandling, improper storage, fire, flood, tornado, earthquake or other acts of God. This warranty does not apply to any product used or installed in conjunction with Kith Kitchens cabinetry such as plumbing fixtures, counter-tops or appliances.

Accessories or components that are not manufactured by Kith Kitchens are not covered under this warranty; however, they are covered under their own manufacturer's warranty. This may include but is not limited to outsourced internal cabinet accessories.

This warranty is limited to the repair or replacement of defective parts. In no event shall Kith Kitchens pay for or be held liable for the cost of labor, installation and touch-up of the replacement products or for any other cost related to the replacement of products, all of which is the responsibility of the person making the claim.

In addition, the following are excluded or limited from the Kith Kitchens lifetime limited warranty:

- Any condition or appearance caused by improper care or cleaning. (Proper care and cleaning instructions are included in the price book.)
- Natural characteristics in the wood grain and color. (For more information refer to the price book.)
- Kith Kitchens cabinetry is not intended for external or commercial use; such applications are not covered under this warranty.
- The Kith Kitchens warranty does not cover expansion defects and/or joint separations that occur as a result of high humidity, high moisture content, and exposure to extreme heat or improper storage. In the case of joint separation, Kith Kitchens may, at its option and after inspection from a Kith Kitchens Representative, defer action for a period of 6 months to allow the doors to acclimate to the environment.
- The Kith Kitchens warranty is not valid unless the products have been paid for in full.
- Unfinished product is not covered under this warranty.

To obtain service under this warranty, please contact the business where you purchased this product. A copy of the original purchaser's dated receipt must be submitted. Kith Kitchens reserves the right to inspect the claimed defective product or request that the replacement be invoiced at the time of shipment with credit being issued upon the return and inspection of the defective product.

No dealer or agent of Kith Kitchens has the authority to change or extend the above warranty or responsibility.

This warranty is in lieu of all other warranties expressed or implied. To the extent permitted by law, this warranty does not cover special, incidental or consequential damages (such as labor expenses in uninstalling or installing any material or parts) whether arising out of breach of warranty, breach of contract, tort or otherwise. Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Product Awareness

Grain and Color Variations of Wood

Nature signs every tree with its own fingerprint. It reflects the region and terrain where each tree grows and the weather each tree experiences during its many growth cycles. These influences are seen in the grain and pattern of each piece of wood. The beauty of natural wood is derived from the fact that no two trees are identical. Wood cut from one part of a tree will appear different from wood cut from other parts of a tree. Some of these differences are grain pattern, grain color, knots, pinholes, and sap runs. Each piece of wood reacts differently to all finish materials including white, all transparent stain colors and pigmented base coat finishes, due to the natural variations in the wood. All wood mellows and changes with the light that came in contact with the wood.

Doors and drawer fronts may not exactly match when first manufactured or as time goes on due to the different ways in which each piece of wood reacts to all of the above. In addition, environmental conditions such as smoke, cleaning agents, exposure to harsh sunlight and chemicals may cause the finish or wood color to change in appearance. For these reasons door samples and wood samples may not appear the same as a set of finished cabinetry. This is not a defect. It is a result of natural and environmental conditions that make each set of cabinets unique. As you look at wood cabinetry, remember that the beauty of a natural product is its one-of-a-kind character. So, enjoy it for its beauty.

Enhanced Finishes

Creating an antiqued or weathered look by applying Glaze, Brushing, Rub-Through, Vintage or Heirloom Finish Enhancements is a process that is done by hand. Variation with these hand applied finish techniques is to be expected. It is not a defect. The variation should be judged for its overall effect to the entire finished product, not an individual door or drawer front.

Pigmented Base Coat Finishes (Paint Finishes)

The nature of wood due to climate change and physical handling is to contract and expand. Painted finishes will magnify any expansion or contraction in the cabinets. Painted finishes, unlike stained finishes, will make the opening of joints and the center panel movement more obvious. Hairline openings at the joints can be expected and are not considered a defect.

The information in the previous awareness statement is not intended to discourage you from buying or selling any of the products. It is intended solely to inform you and your customer of the possible natural and man-made characteristics of cabinetry and the importance of your acceptance of these occurrences.

Finish Agreement

I understand the variation in color pattern and the natural and man-made circumstances that occur when stain, paint or a finish enhancement has been applied to cabinetry. I understand that these are elements of nature, beauty and artistry and not a defect. There has been no attempt by the craftsman of Kith Kitchens to tone down or cover up any variation in wood.

I find these aspects of those variations to be desirable and agree not to hold Kith Kitchens nor my Kith Kitchens Dealer responsible in the event I find those variations to be any less desirable than I expected.

CUSTOMER SUPPLIED PARTS

Customer Supplied Parts are items purchased from a third party and sent to Kith Kitchens to be finished to match cabinetry. **Customer Supplied Parts must be submitted for approval prior to sending the parts to Kith for finishing.** Email us a description and/or photo of the item to CSP@kithkitchens.com. Once the part has been approved, you will need to submit a “Customer Supplied Part Form” on page 17 and have the part shipped to Kith.

All customer supplied parts need to be sent to:

Attn: Customer Supplied Parts
Kith Kitchens
280 North Industrial Loop
Haleyville, AL 35565

Finished parts will be returned via FedEx Ground or LTL. If the Customer Supplied Part is received damaged by Kith Kitchens, it is the dealer’s responsibility to handle any freight damage claims.

Lead times for Customer Sent Parts are established from when the part is received at Kith Kitchens. Once the part is received, we will create an acknowledgment and email it to you. The part will be scheduled to ship in 15-19 business days from when the acknowledgment is created.

FACE FRAMED CABINETRY CONSTRUCTION

KithONE framed cabinets are constructed of 1/2" plywood side panels, a 1/4" plywood back panel, 1/2" plywood top and bottom panels, 1/2" plywood stretchers and hanging rails and 3/4" plywood wood adjustable center shelves. The interior of our Framed Box is UV finished Birch. Doors will have Blum Integrated Soft Close hinges. Standard door hinging is left hinge.

Framed cabinets are manufactured with an unfinished exterior. For all finishes and wood species combinations the customer must order a matching 1/4" End Skin (WEP, BEP, Face Panel, etc.), specify Matching Finished Ends (MFE), or specify Finished Flush Ends (FFE) for all exposed cabinets.

SOLID MAPLE DRAWER BOX INFORMATION:

Solid maple drawer boxes are 5/8" solid maple furniture finished dovetail drawers with full extension under-mount Blum Integrated Motion Slides, with 1/4" bottom panel inset 1/2" from bottom of drawer box.

- Solid maple drawer boxes are available in depths (front to back) of 9", 12", 15", 18", 21"
- Solid maple drawer boxes are available in four heights: 3-1/4", 6", 8", and 10"
 - » \$420 List for 8" tall and \$520 List for 10" tall, where applicable
- To calculate **width** of a solid maple drawer box in a cabinet with a **single drawer**:
 - » Subtract 3-5/8" from cabinet width
- To calculate **width** of solid maple drawer boxes in a cabinet with **double drawers**:
 - » Subtract 7-1/4" from cabinet width then divide by 2.
- To calculate the **internal usable space** inside a solid maple drawer box:
 - » For width, subtract 1-1/4" from width of drawer box
 - » For depth, subtract 1-1/4" from depth of drawer box
 - » For height, subtract 3/4" from height of drawer box.

Blind Wall Cabinets

A* = Actual Cabinet Width

Y* = Recommended distance from the wall to the opposite end of the cabinet.

Z = Maximum distance from the wall to the opposite end of the cabinet.

B = Actual door opening width.

*Note: Add 2" to the A and Y dimension to assure clearance of hardware.

Hinging will always be on the same side as the blind.

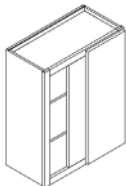

Left hinge/Left blind is standard. Selecting right hinge will create a right hinge/right blind cabinet.

A filler is required between the BLW and adjacent cabinet.

EXTRA OPERATIONS

These Extra Operations only apply to the Traditional - Santa Fe Series, Transitional - Charleston Series, Mission Series, Shaker Series and Contemporary - Skyline Series.

SPLITTING – This operation cuts the leg in half from the top down, producing two equal halves.

DIAGONAL SPLIT – This operation cuts the leg in half from the top down from corner to corner.

PARTIAL NOTCH – This process removes one quarter of the post from the top down and stops 4” before reaching the bottom.

FULL NOTCH – This operation removes one quarter of the post entirely.

QUARTERING – This operation cuts the leg from the top down, producing four equal pieces.

Item	Item Code	List Price charge for operations
Split	<i>SP</i>	<i>85</i>
Diagonal Splitting	<i>DS</i>	<i>102</i>
Partial Notch	<i>PN4</i>	<i>250</i>
Full Notch	<i>FN</i>	<i>170</i>
Quarter	<i>QT</i>	<i>170</i>

Splitting, Diagonal Splitting and Quartering include all pieces created in operation. No quarters or halves sold individually.

Removable Options

REMOVABLE TOP (RT)

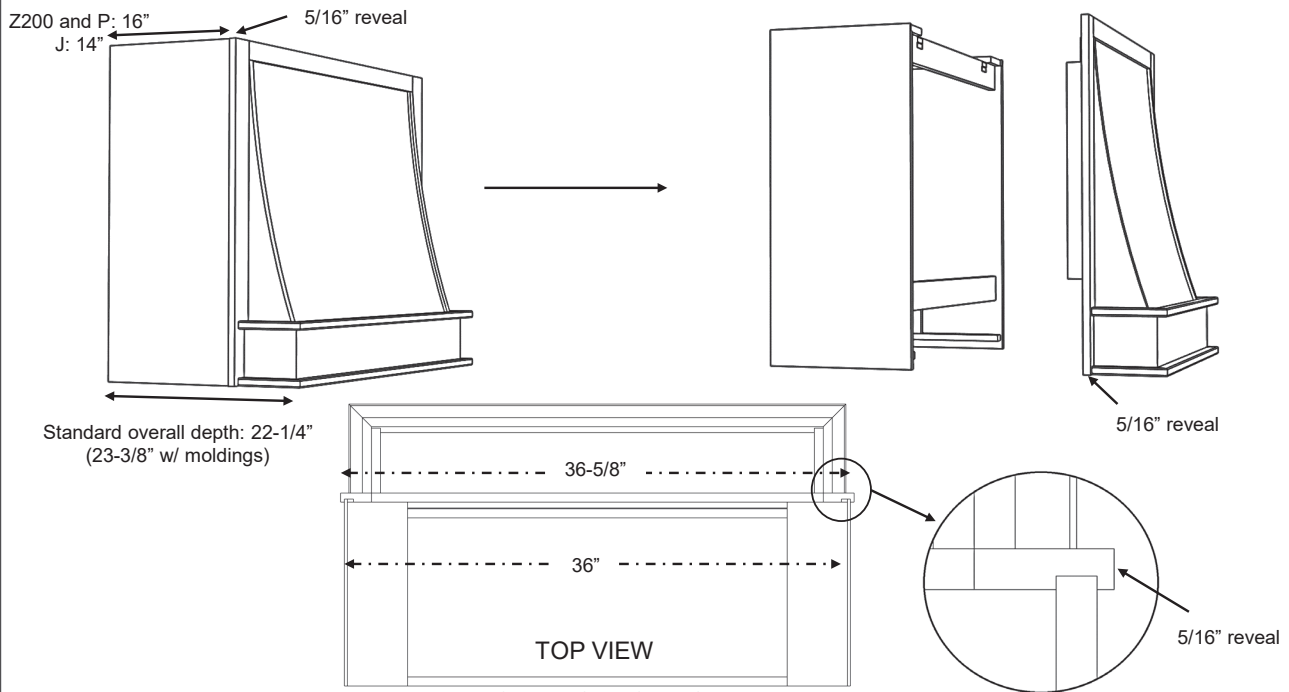

Base of the hood will be installed first with the ventilation. After all hook ups are complete – the chimney top will be attached. You will need a minimum of 3/4" clearance to lower chimney on guides. Cutting or trimming of parts in field will void warranty and compromise structural integrity.

AVAILABLE ON THESE MODELS: BXHW, BXVHW, C, CX, E, E200, FX200, G, GT

REMOVABLE FRONT (RF)

Entire front section lifts straight up 3/4" and removes. Vent is easily installed, then front section is reattached. The rear cabinet box will be 16" deep (14" for J- Series). There is a 5/16" reveal on the front frame to box (adds 5/8" to overall width of front section only). A minimum 3/4" vertical clearance is needed between hood top and ceiling so that you can slide onto guides. Cutting or trimming of parts in field will void warranty and compromise structural integrity.

AVAILABLE ON THESE MODELS: J, P, Z200

MODIFIED REMOVABLE PANEL (MRP)

Door panel is removable, and attaches with clips. Panel extends the full height of hood, and the lower seam is hidden behind a shelf. Crown can be laid on top of door once vent hook-ups are made.

STANDARD MRP

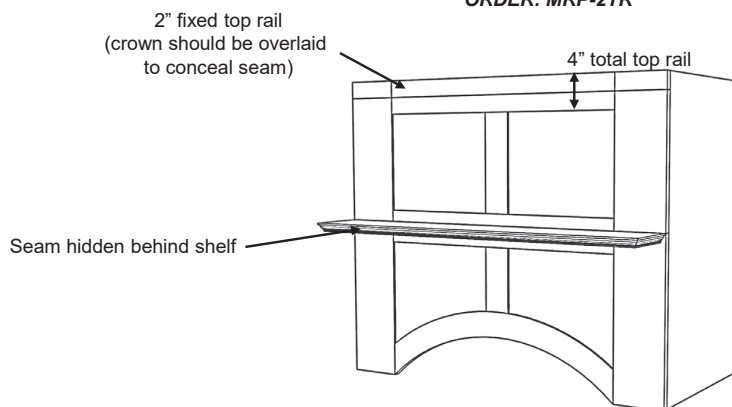

no fixed top rail, panel extends full height of hood.

AVAILABLE BY CUSTOM REQUEST

2" fixed top, 4" total top rail.

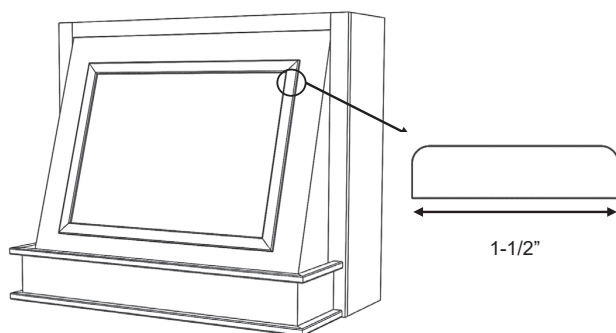

ORDER: MRP-2TR

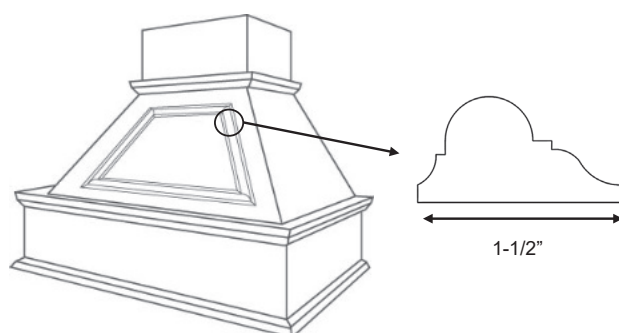

STANDARD ON THESE MODELS: H, H2, M, N, Q, SB100, W

APPLIED REMOVABLE PANEL (ARP)

An access panel is cut into the face of the hood, and decorative molding is applied to cover the seam.

Basic batten style molding is standard.

Hardwood and Molding Wraps for In-Series Hoods

Applied Hardwood Wrap

A 6" high hardwood wrap can be applied along the bottom of an In-Series hood to create the visual appearance of a separate base section. The wrap is shipped loose, and can be trimmed in-field to desired depth so sides remain flush for cabinet installation. This wrap can be applied in a different species than the hood to create a two-tone design.

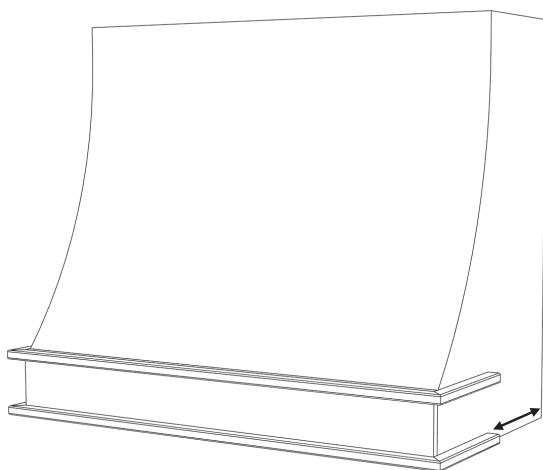

****Please consider door swings and clearances. Your cabinet design may require fillers or extended stiles****

Hardwood wrap will ship loose, mitered, and cut to full depth of hood. Can be trimmed in field to your desired depth.

AVAILABLE ON THESE MODELS: BX, BXV, E300, FX300, L2

Applied Molding Wrap

Basic style moldings can be applied along the top and bottom trim of the base panel and sides of In-Series hoods to create the visual appearance of a separate base section. Moldings are shipped loose, and can be trimmed in-field to desired depth so sides remain flush for cabinet installation.

****Please consider door swings and clearances. Your cabinet design may require fillers or extended stiles****

Molding wrap will ship loose, mitered, and cut to full depth of hood. Can be trimmed in field to your desired depth.
